

Quick Booking Guide

Please follow this quick guideline to complete successfully our booking form.

Firstly choose the appropriate dates by clicking on this icon  right to the fields "Arrival" and "Departure" (image 1), a calendar will show up for your convenience. It is also possible inserting dates manually by following this style: DD-MM-YYYY.

Subsequently select the people that will occupy the room.

Once carried out the previous steps, all available rooms with its associated meal basis should appear underneath "Available rooms". Observe that available rooms are shown only if availability exists, e.g. by minimum days or by quantity of people. (image 2)

Now select the desired room with its associated meal basis.

At this time the available rooms disappear (only one room per booking can be reserved) and the selected room passes to the column to the right as "Selected rooms" (image 3)

At the same time you will note that the total amount of your booking has been calculated (image 4). Besides you will see that the text inside the red stripe is indicating what the program expects you to do, in this case its ready to introduce your personal data and to complete our registration form. (image 4).

Subsequently compliment all the fields with their data (marked with a red asterisk; they are obligatory) and finally click on "Continue".

In the following window you will find a summary of your personal data as well as of your booking, the possibility to send us some special requests and two buttons: "Edit booking" and "Confirm booking" (image 5).

The next window that is shown only requires your credit card details and confirmation. In scarce minutes you will receive an e-mail with your booking confirmation, booking reference and a brief summary of it. To know more about booking conditions, please click [here](#).
